Forecast For West Midlands
Issued by Met Office Exeter
at 0400 on Saturday 23 Oct 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Mainly dry on Saturday but some rain on Sunday.

Today:
Largely dry for most of today but isolated showers are possible in the west. Rather cloudy but a few bright or sunny spells are likely as the southerly breeze freshens. Maximum temperature 14 deg C (57 deg F).

Tonight:
It will stay largely dry at first, however there is an increasing chance of occasional showery rain reaching the far west by the end of the night. Staying mild overnight. Minimum temperature 8 deg C (46 deg F).

Sunday:
Occasional rain spreading from west to east across the region. Drier conditions following to the west during the afternoon, with an increasing chance of sunny spells. Breezy throughout the day. Maximum temperature 15 deg C (59 deg F).

Outlook for Monday to Wednesday:
Sunshine and showers on Monday. Largely dry on Tuesday but some rain is expected later on Wednesday. Breezy at times and becoming very mild by midweek.
